From the State Office

The Kentucky Junior Historical Society (KJHS) is a membership organization that gives Kentucky students an opportunity to become active participants in the historical activities of their community, region and state. Through research projects, historic site visits, living-history presentations and other related activities, students gain valuable skills while helping preserve and promote Kentucky heritage. KJHS is designed to enhance curriculum by giving students the opportunity to connect with historical and cultural resources. Learning about the past helps students prepare for the future.

Since 1961, KJHS has operated through a network of local chapters. Sponsored by teachers, interested parents or local historical groups, KJHS encourages partnerships between local communities and students.

Statewide competition in a variety of categories through Kentucky History Day (KHD) recognizes excellence and gives students an opportunity to learn from their peers. The KJHS Conference is also the time to elect officers to the student advisory board of KJHS. Campaign speeches and “politicking” give students a taste of running for statewide office, while serving on the board provides valuable leadership training.

This handbook is intended as a reference and should answer many of your questions. If you have further questions, we are more than happy to assist you. Feel free to contact Tim Talbott at 502-564-1792, ext. 4428 or tim.talbott@ky.gov. The KJHS mailing address is 100 W. Broadway, Frankfort, KY 40601.

Types of KJHS Clubs

KJHS is a flexible program. You may run your KJHS club in the manner that works best for you. Some schools have the luxury of a “club day” each month. Others have after-school or evening meetings. Some clubs meet once a month, others once a week. Sometimes there are several KJHS chapters within a county, and each school has its own chapter. On the other hand, some counties have one sponsor who runs a KJHS chapter for all the students in that county. KJHS includes private school clubs, public school clubs and homeschool clubs. Sponsors are usually teachers, but can also be interested parents or members of a local historical group or civic organization.

Where there is no active KJHS chapter in an area, students may join as **individual members**.

KJHS Membership Requirements

- Open to any Kentucky student who is interested in Kentucky history
- Annual dues of \$3 per club member, or \$5 for members enrolling individually
- Members may also enroll for a \$10 fee, which includes annual dues plus district and state KHD contest registration fees

KJHS Members Have the Opportunity to...

- Get free or reduced admission to many state historical sites and museums, including the Kentucky Historical Society history campus all of the sites operated by the Department of Parks (must present KJHS membership card)
- Enter projects in the KHD program
- Improve research skills
- Sharpen leadership skills as a local or statewide officer
- Participate in service projects with a local historical group
- Learn about their community’s heritage
- Develop a preservation ethic

How to Get Started

1. Obtain permission to form the KJHS chapter from school administrators or other governing authorities. Publicize the KJHS mission in advance of the first meeting with posters and mail fliers to potential members.
2. Once interest is evident, plan the first meeting to have an exciting speaker or program. Contact the state KJHS office, local historical groups or interested parents for help.
3. At the initial club meeting(s), the group should:
 - Select a chapter name
 - Set time and frequency of club meetings
 - Decide what, if any, officers are needed and elect them
 - Set club goals for projects, membership, etc.
 - Plan the financial structure (\$10 flat fee option or \$3 dues-only option; local dues optional)
4. After an initial membership period, complete the registration form and submit dues.
5. Continue with meetings and activities throughout the school year to sustain interest.

Suggested Activities

- Complete a project for KHD
- Make a list of historical markers in your county and record their condition
- Conduct oral histories of older members of the community
- Take field trips to local historic sites (many sites are free with KJHS membership cards!)
- Make a display for your school on some aspect of local history
- Work on a project with a local historical group
- Collect old-time recipes for a cookbook
- Celebrate traditions at a local festival
- Write a chapter constitution
- Correspond with other KJHS chapters in your district and plan a joint meeting

Kentucky History Day

KJHS members have the opportunity to participate in the Kentucky affiliate of National History Day (NHD), KHD, an academic program that challenges students to think like historians. Through a variety of project categories, students develop critical thinking skills and a greater proficiency for written and verbal communication.

Throughout the school year, students conduct research using primary and secondary sources to prepare projects based on an annual theme. The annual theme is broad enough to encourage investigation of topics ranging from local and state history to U.S. and world history. The theme for 2011 is "Debate and Diplomacy in History: Successes, Failures and Consequences."

Kentucky History Day Divisions

Youth: Grades 4-5 (state contest and Kentucky topics only)

Junior: Grades 6-8

Senior: Grades 9-12

Middle and High School Students

Students may do individual or group projects in any one of five categories: paper (individual only), exhibit, performance, documentary or website.

This educational program culminates in a series of contests held at the district, state and national levels. District contests are typically held in March and April. Each district's top entries in each category and division can compete at the state contest held in Frankfort during the KJHS Conference at the end of April. The top two entries in each category and division at the state level are eligible to compete in the national competition, which is held at the University of Maryland in College Park, Md., in June.

For complete guidelines and information about the district and state contests, visit the KHD web page at www.history.ky.gov. To learn more about NHD, visit www.nhd.org.

Elementary School Students

The youth division competition, created specifically for KHD, will take place at the KJHS Conference. Open to students in grades 4-5, the youth division is a state-level contest only. Participants in this division will not have to attend a regional, nor will they be able to advance to the national competition, as there is no elementary component at that level.

The youth competition will be a modified version of the NHD contest. Students may work individually or in groups no larger than five to submit an exhibit or a documentary. The topic *must* focus on Kentucky history and can be related to the theme, "Debate and Diplomacy in History," but it is not required.

For complete guidelines, visit the KHD web page at www.history.ky.gov.

Kentucky Junior Historical Society Conference

In addition to workshops, activities and the KHD state competition, the following contests will take place Friday during the KJHS Conference.

Chapter Challenge

Chapters may submit **one** project, either an exhibit or a documentary, which highlights the history-related activities that they did in their community throughout the year. The project should be completed with the input and assistance of the whole chapter. Along with the annual club reports, the Chapter Challenge will help determine KJHS Annual Award recipients.

Nomination Formatting

Exhibit: Size not to exceed 40 inches wide, 30 inches deep and 60 inches tall.

Documentary: Time should not exceed 10 minutes. The program must be operable in a standard DVD player.

The following competitions are open to grades k-12 and will take place on Friday during the KJHS Conference. Students may sign up for only one category.

Division I: Grades K-5

Division II: Grades 6-8

Division III: Grades 9-12

Kentucky History Test

(I, II, III) Individual only. Limited to 50 students per division.

This is a timed multiple choice test. All questions will pertain to Kentucky history. Students who are signed up to take Kentucky History Test cannot participate in the impromptu composition, as both will be administered at the same time. No notes allowed. Electronic devices may not be used during testing.

Impromptu Composition

(I, II, III) Individual only. Limited to 20 students per division.

A timed, on-the-spot essay that will pertain to Kentucky history. Students will choose to answer one of two questions on a Kentucky subject. A few months prior to the conference, a general topic (i.e. Daniel Boone, Abraham Lincoln, the Shakers, etc.) from which to study will be announced for each division. No notes allowed. Electronic devices may not be used during testing.

Kentucky History Bowl

(I, II, III) Group only.
